Buidling work and Outdoor Space

We are awaiting delivery of the temporary classroom and then the next two weeks will involve securing it in place and fitting out the inside. The area around it will be tarmacked and a new gate will be put in place at the end of the kitchen building to the nursery fence as additional safety.

The reception playground is coming along at a pace now, the children have been out to watch some of the work taking place and are very excited to get out there and have a go! We love how our vision of an outdoor area is taking shape.

The company, Eightspace, led by Sean, will also be helping to develop the space to the left of the drive. As you know, we were fortunate to win the 'Bags for Help' scheme at Tesco and have been awarded £4000 to develop an area in school. The title of the project is 'Farmer Button's Bluebell Wood' and we will be adding features to this part of school to encourage outdoor learning. Watch this space!
